

# Vision & Mission

Together in faith, we grow and nurture our students to be compassionate, creative and critical thinkers for the future.

## SPIRITUALITY

What it is to Know, Love and Serve God by following the traditions of St Francis Xavier and the charism of our Josephite heritage.

## INCLUSIVENESS

What it is to Know, Love and Serve God by being inclusive and celebrating cultural diversity and community.

## LEARNING

What it is to Know, Love and Serve God by a love of learning that is authentic and challenging and inspires them to be compassionate, critical, creative thinkers for the future.

This will be achieved through our pedagogy of: **Visible Learning, Inquiry Learning** and **Explicit Teaching**.

St Francis Xavier's will have a whole school focus on **Literacy** and **Numeracy**, particularly in Early Years.

Literacy and Numeracy will be consolidated through a **STEAM** approach used in Years 3 and 4, and a **Design Thinking** approach in Years 5 and 6.

Thus developing our children's skills and capabilities. Running parallel with this will be the dispositions of **Collaboration, Critical Thinking, Creativity** and **Community**.

Since 1961
